Accomplishments

Lesson Planning:

- Introduced new learning methods to ensure total comprehension for all students.

Material Development

- Created lesson plans targeting differentiated learners to create an engaging educational experience.

Team Building and Leadership

- Created collaborative classroom experience through student-centered activities.

Plan Development ^

- *Planned and conducted activities for a balanced program of instruction, demonstration, and work time that provided students with opportunities to observe, question, and investigate.*

Education Strategies ^

- Employed special educational strategies and techniques during instruction to improve the development of sensory/perceptual-motor skills, language, cognition, and memory.

Goal Setting ^

- Established clear objectives for all lessons/projects and communicated with students, achieving a total understanding of grading rubric and overall class expectations.

Technology Integration ^

- Increased student participation and test scores by introducing relevant computer programs and exercises to encourage student interest and enjoyment.

Creative Lesson Planning ^

- *Motivated students to engage with course materials for History of WWII course by organizing a war veteran to come to class to speak about his personal experience.*

Parent Communication ^

- Regularly met with parents to discuss student issues and course weakness areas.

Counseling ^

- Served as student mentor and counselor for students when academic problems and personal adjustments arose, meeting with guardians to reach solutions.

Experience

Teacher 07/2012 to Current Company Name City , State

Routinely met with students' parents regarding in-class issues and learning interruptions to discuss solutions. Taught Language Arts and Social Studies to 43 5th grade students. Used variety of teaching techniques to encourage student critical thinking and discussion in 5th grade. Established and enforced rules for behavior and procedures for maintaining order among a class of 22 students. Developed, administered and corrected tests and quizzes in a timely manner. Coordinated after school tutoring hours with other teachers to help students in need of extra attention. Received high

remarks for the creativity of classroom lesson plans and instructional techniques from students, parents and faculty. Combined discipline plan with effective measures and various lesson plans to increase concentration, participation, and progress student accountability. Earned positive verbal/written feedback from parents regarding classroom instruction and student learning success. Designed lesson plans focused on age and level-appropriate material.
