

AGRICULTURE ADVISOR AND LANGUAGE OFFICER

Professional Summary

I successfully completed the 4-years course in Agriculture from Nangarhar Agriculture Faculty in 2002 and have studied English and computer software program for 15 months, at Oxford English and Computer Center Jalalabad City. I worked as Agriculture Advisor - Language officer with provincial Reconstruction Team U.S.A for Afghanistan/ Agriculture development team U.S.A For Afghanistan (PRT/ADT) office and as part of work mandate have gained: Familiarity and good relationship with local authorities, Members, of provincial Assembly and directorates of line Ministries. Participated in different meetings i.e. (Provincial Development Council, Private sector development, Technical working Group) meetings held at Provincial level to improve life standards of our community and bring prosperity through implementation of developmental programs. Filed visit, Collection of Agriculture data, Monitoring of Agriculture Projects. In addition, I have a valuable experience of working as an Agriculture Coordinator which gave me an opportunity as part of Management body to: Establish adequate support at the community level for the project policies and activities to ensure community participation at all levels. Traveled to different districts and provinces of the country. Identify weaknesses and problems during the implementation process and propose appropriate solutions to avoid conflicts (Social, Political, and Cultural). Attended 3 months training on Agriculture New technology in U.S Kansas State. Furthermore, I have participated in several trainings and Seminars inside and outside the country including projects planning Cycle, Projects implementation, Logical framework Analysis. Conducted numerous capacity building and training workshops on various subjects for Nangarhar Agriculture University Students including, Business Development, Marketing, Field hands on trainings, Communication skill, and many other Food safety and sanitation related issues and have delivered many constructive Presentations on different Occasions. Since I have good knowledge of my society and a valuable experience of work at different managerial levels national and international organizations, working in Community Development, Capacity building, Agriculture, Marketing and business, I believe I am qualified for the mentioned Position.
