

Seattle's grassroots free/libre/open source software, hardware and culture summit returns for the sixth year!

Join speakers and participants from around the world for year six of Seattle's **FREE**, as in freedom and coffee, GNU/Linux Conference.

With over 50 talks, four keynotes, and the Cascadia Community Builder Award, this year is sure to be a blast!

November 9th and 10th, 2018
Seattle Central College campus
