

SEATTLE GNU/LINUX CONFERENCE RETURNS FOR ITS ELEVENTH YEAR!

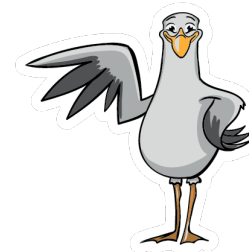

We're an annual community-focused free/libre/open source software, hardware, and culture event in Seattle.

This year we'll meet in-person again, with the option to attend remotely for those who can't make it!

Want to help us out? You can contribute in many different ways such as joining the all-volunteer staff and becoming part of the community!

November 3th & 4th, 2023
In-Person & Virtual

CALL FOR PROPOSALS IS NOW OPEN!

You can join the conference as a speaker! We encourage almost any topic related to open source that you have a personal engagement with. We have created a list of topic ideas that might give you some inspiration:

- Community and Culture
- Education
- Hardware
- Languages and Tools
- Machine Learning and Big Data
- Open Source Careers
- Performance Art
- Security and Privacy
- Systems and Platforms
- Everything Else
