What Is HTML?

Hypertext Markup Language

```
<!doctype html>
<html>
<head>
  <title>Why I Love This Course</title>
</head>
<body> [ ... ]
</body>
</html>
```

The diagram illustrates the structure of an HTML document. It shows a code snippet with the following lines: `<!doctype html>`, `<html>`, `<head>`, `<title>Why I Love This Course</title>`, `</head>`, `<body> [...]`, `</body>`, and `</html>`. An orange box labeled "content" is positioned to the right of the code, with a line pointing to the text "Why I Love This Course" inside the `<title>` tag, indicating that this text is the content of the title element.
