

A horizontal timeline diagram illustrating a sequence of events. It features a black horizontal line with an arrowhead pointing to the right. Above this line, four rectangular blocks are arranged sequentially. The first block is light blue and labeled 'Tx Frame'. The second and third blocks are light gray and labeled 'Rx Slot 1' and 'Rx Slot 2' respectively. The fourth block is also light gray and labeled 'sleep'. The background of the entire diagram consists of alternating light gray and white horizontal stripes.

Tx Frame

Rx Slot 1

Rx Slot 2
