

Щука

The word 'Щука' is rendered in a bold, black, sans-serif font. The letters are stylized, with the 'у' and 'к' featuring a unique design where the fish's body and scales are integrated into the letterforms. The pike is depicted in a side profile, facing left, with its head positioned at the start of the 'у'. The fish has a greenish-brown upper body with dark spots, a lighter underbelly, and a long, pointed snout. The background is plain white.
