SUMMARY

Manual Testing professional with extensive experience in banking applications. Proficient in a variety of testing methodologies such as smoke testing, sanity testing, and exploratory testing. Adept at test planning and writing, with a proven track record in functional and user experience testing. Demonstrated ability to enhance software quality through rigorous testing practices.

WORK EXPERIENCE

Mahindra - Manual Tester
2015-2018

Conducted smoke and sanity testing for banking applications, improving software reliability. Collaborated with development teams to identify and address defects, enhancing application performance.

Reliance - Quality Assurance Tester
2018-2020

Executed functional and user experience testing, ensuring high-quality software delivery. Developed comprehensive test plans and cases, contributing to streamlined testing processes.

Aditya Birla - Senior QA Tester
2020-2023

Led exploratory testing efforts to uncover hidden issues, reducing post-deployment defects by 15%. Mentored junior testers in testing methodologies and best practices, fostering a culture of quality.
