Semester Project (30 Marks, CLO4-A1)

Assignment # 4 is in the form of a semester project. This document presents the details and description for the project.

How to do the Project

Step 1: Main Topic and Selection of Topic

The main topic for the project is **Current Social, Moral and Political Challenges of Muslims and their Solutions in the Light of Islamic Teachings**.

For the semester project, you are supposed to pick a topic (challenge) relevant to the main topic of “**Current Social, Moral and Political Problems and Challenges of Muslims and their Solutions in the Light of Islamic Teachings**” and then you will form a report on the specific challenge you have chosen and propose solutions for the challenge.

Select a specific challenge faced by Muslims in the world. Your project cannot be on the main topic in general, it has to be a particular and current challenge faced by Muslims in any part of the world.

Step 2: Collect Information and Write the Report

Collect information regarding the topic from valid sources and write a report on your

findings.

It is important that you write it in your own words and not plagiarize or copy from anywhere. Word limit should not be more than **1800 to 2000 words or 7 to 8 pages** (excluding Title page, table of contents, References).

Your report must be structured in the following way.

Introduction

Briefly describe the project along with the topic. Also mention how the topic is related to the main topic.

Findings and Discussion

Describe the challenge faced by Muslims in detail, including where it is being faced and in general how many of the Muslim population is facing it. Describe the background or history of the challenge and the consequences of it. You should include accurate information and the source of the findings. (All sources will be listed at the end.)

Conclusion and Recommendations

Propose solutions to the challenge with reference from Islamic Teachings and describe how it should be implemented. You can also describe the solutions others have proposed and how well they are working to rectify the issue.

References

Refer all the sources you have used to learn about the topic and write your report. This section is very important.

Step 3: Proofread and Submit your Report

Once you are done with your report and have proofread everything. Strictly follow the deadline of submission of project, no extension in the submission deadline will be provided.

Good Luck!
