Dynaso 10th Anniversary Celebration Party INVITATION

My dear friends,

We are approaching Dynaso's 10th anniversary since its inception in July 2005; I sincerely invite you to take part in a special party we organize to celebrate we have reached a new stage. Looking back the past decade, I feel gratified to see the steady growth of this organization; I feel luckier that I have many good friends, like you, always behind me along the way, extending your hand whenever I was in need of your support. The team and I have been seeking long time an opportunity to express our sincere appreciation to all of you, in a formal way, and I do hope this event would be the best one.

Celebrating Dynaso anniversary won't be the only focus on the stage, as I wish this is also a networking event prepared for all of us. You will see a guest list enclosed to the invitation, and may find out names you already know but 'long time no see', or you are willing to know for mingling with and networking, in that lovely and relaxing weekend. Furthermore, some guests are invited to give theme presentations to share with us his/her thoughts and opinions, as part of our networking arrangement.

We are waiting for you in the afternoon of August 1st!
