ASSIGNMENT - ART - GNU BASH LOGO

For good and valuable consideration, receipt of which MaxCDN acknowledges, MaxCDN hereby transfer to the Free Software Foundation, Inc. (the "Foundation") its entire right, title, and interest (including all rights under copyright) in the image GNU Bash Logo (the "Work"), which depicts a square with a dollar sign and underscore, and the text 'BASH THE BOURNE-AGAIN SHELL', subject to the conditions below. The work hereby assigned shall further include any future changes and/or enhancements hereafter made by MaxCDN.

Upon thirty days' prior written notice, the Foundation agrees to grant MaxCDN non-exclusive rights to use the Work as MaxCDN see fit; (and the Foundation's rights shall otherwise continue unchanged).

For the purposes of this contract, a work "based on the Work" means any work that in whole or in part incorporates or is derived from all or part of the Work.

The Foundation promises that all distribution of the Work, or of any work "based on the Work", that takes place under the control of the Foundation or its agents or assignees, shall be on terms that explicitly and perpetually permit anyone possessing a copy of the work to which the terms apply, and possessing accurate notice of these terms, to redistribute copies of the work to anyone on the same terms.

These terms shall not restrict which members of the public copies may be distributed to. These terms shall not require a member of the public to pay any royalty to the Foundation or to anyone else for any permitted use of the work they apply to, or to communicate with the Foundation or its agents in any way either when redistribution is performed or on any other occasion.

MaxCDN hereby represent and warrant that it is the sole copyright holder for the Work and that MaxCDN has the right and power to enter into this contract. MaxCDN hereby indemnify and hold harmless the Foundation, its officers, employees, and agents against any and all claims, actions or damages (including attorney's reasonable fees) asserted by or paid to any party on account of a breach or alleged breach of the foregoing warranty. MaxCDN make no other express or implied warranty (including without limitation, in this disclaimer of warranty, any warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE).

Thank you for the contribution!

Signed:

  
Justin Dorfman, Director of Developer Relations
